Variable Rate

If you or your cosigner meet the eligibility criteria, the variable rate loan features:

- Monthly payments of full principal and interest, adjusted quarterly
- Repayment that begins approximately thirty (30) to forty-five (45) days after the loan is disbursed to payoff previous loan holders

Note: Additional payments made over the required monthly principal and interest amounts will shorten the remaining term of the loan.

Fixed Rate

If you or your cosigner meet the eligibility criteria, the fixed rate loan features:

- Fixed monthly payments of full principal and interest
- Repayment that begins approximately thirty (30) to forty-five (45) days after the loan is disbursed to payoff previous loan holders

Note: Additional payments made over the required monthly principal and interest amounts will shorten the remaining term of the loan.
